

# FIND SATISFACTION AND FINANCIAL SUCCESS IN YOUR PRIVATE PRACTICE

---

Packed with useful ideas for building a managed-care free private practice, Today's Private Practice presents a systematized approach that works. This book is written with the mental health or psychology professional in mind, but the innovative concepts easily apply to professionals of many human service professions.

## What People Are Saying About "Today's Private Practice":

"Even though I have worked outside of managed care for many years, I now see many exciting opportunities that I never before realized were possible. In one single source, Dr. Morgan gives you all you need to know to make your practice explode with new clients and opportunities."

— Jeffrey Bernstein, Ph.D. Licensed Psychologist in Private Practice  
and author of "Why Can't You Read My Mind?"

"A must read for any seasoned professional who values his/her experience and wants to be paid for it!"

— Marjorie Johnson, DCSW, LCSW

Dr. Bill Morgan is a psychologist in private practice and owner of Leadership Concepts, a business coaching firm. Bill especially enjoys assisting human service professionals in designing and building thriving private practices.
